Final Fantasy Crystal Chronicles: My Life as a King received a generally favorable response. IGN, reviewing the Japanese version of the game after its launch, was impressed with the quality and expansiveness of the game, saying that it was a "good start" to Nintendo's WiiWare download service. In a later review of the North American release ...

Translated by Felix Gers. What actual changes have been made to ATRAC over the years? There is not much information about this other than what Sony says in their brochures and what appears in occasional magazine articles (thanks primarily to Japanese MJ and German Stereo magazines for their detailed

reporting).
