CHAPTER 4 Botswana's Success: Good Governance, Good

Luck is the concept that defines the experience of notably positive, negative, or improbable events. The naturalistic interpretation is that positive and negative events happen all the time in human lives, both due to random and non-random natural and artificial processes, and that even improbable events can happen by random chance.

GOOD TO GREAT This book addresses a single question: can a good company become a great company, and if so, how? Based on a five-year research project comparing companies that made the leap to those that did not, Good to Great shows that greatness is not primarily a function of circumstance but largely a matter of conscious choice, and discipline.
