

### **the anarchists tool chest pdf**

“The Anarchist’s Tool Chest” will guide you in building a proper chest for your toolkit that follows the ancient rules that have been forgotten or ignored. And it will make the argument that building a chest and filling it with the right tools just might be the best thing you can do to save our craft.

The Anarchist's Tool Chest is one of the most useful books I have purchased about woodworking. That's not because it gives a lot of tips on how to do things, but because it makes one think about the craft of woodworking, and the tools that are used while practicing that craft. Most modern woodworkers think in terms of machines to do the work, while this book focuses on the mindset and the ...
