At first, the claim that atheism is a religion might sound ridiculous. It certainly can be a surprising claim. And it's one that many people, including western atheists, might initially dismiss out of hand. But there's more to the story here. There is a case to be made that, in a very re

Is Atheism a Religion? : Strange Notions

Many consider the argument for God from contingency to be one of the strongest. The basic form is simple: If something exists, there must exist what it takes for that thing to exist. The universe—the collection of beings in space and time—exists. Therefore, there must exist what it takes for th
