Robert Browning's *Men and Women*, a two volume publication of new poems, was a major literary event in nineteenth-century Britain. These poems shift emphasis from the private, atemporal, and generally non-social genre of Romantic lyricism to the ironies and enigmas of human awareness and social relationships, to dramatic action in human speech.

Most people assume that there must be something wrong with men who stay in relationships with women who have traits of borderline personality disorder, men who know the right move is to leave but who find themselves unable to let go.

### **Women With Traits of BPD - Why Men Stay**

When we look at the average relationship and marriage of men and women, it becomes apparent that some may look harmonious on the outside but many and most of them are really not a success and what one would call a celebration of joy and support.

It has nothing to do with age. Its about being awake. If your still in the "game", you will play along, again and again. Until you reach a certain age, 48 mostly, then you start to wake up, and you either keep bitter about that you love fairy tale will not come true, at least not here in this place, at this time.
